

OVERVIEW

The myriad of risks that the hospitality industry faces can leave hotel owners and operators confused and often under-protected. Our team has extensive experience providing insurance and risk management solutions for hotel owners around the nation. The Hospitality Cover Plus+™ program has been specifically designed to address these risks. Whether nationally or independently branded, Hospitality Cover Plus+™ can address your key exposures.

RISK MANAGEMENT

- Quarterly risk prevention newsletter
- Claims prevention, reporting, and investigation training
- Access to customized risk management portal
