Welcome

Your DII Claims Representatives:

We are pleased to present your Guide to Loss Reporting, designed with your risk management needs in mind. Please report all claims, or events you believe could become a claim, as you are made aware of them.

Your DII Claims Contact:

Steven Partlow 410.319.0685 steven.partlow@dii-ins.com

Prompt reporting of losses enables your insurance company to offer you more prompt settlements. Rising claims costs continue to be a significant challenge facing employers. Your team can help reduce this cost by reporting claims promptly and thoroughly. In fact, the sooner a claim is reported, the lower the total cost of the claim is likely to be.

Slow reporting can increase claims costs by 50% or more.

Within 24 hours of reporting your loss, the carrier's loss adjuster should make contact with you. If you do not receive this call, please notify DII immediately.

Customer service is our priority. While we realize that experiencing a loss may not be pleasant, we can assist in minimizing the inconvenience to you and the guest. Thank you for allowing us the opportunity to serve you.

Very Cordially Yours,

Bob Barczak Vice President, Risk Management Group
